What to do next...

Within 3 days of receiving this notification you will receive an email containing your login details to our applicant portal (OSIS) unless we have previously sent these to you. Once you have your login details please follow the instructions in that email to login to OSIS and either Accept or Decline this offer.

If you decide not to take up your place, we ask that you please inform us so that other suitable candidates can be considered. Further information about the course will be emailed to you once you have accepted your place. This will generally be sent out closer to the start date of the programme. For further information on fees, funding, facilities and a lot more, please refer to our web pages at <https://www.kingston.ac.uk/postgraduate/fees-and-funding/>

Many of our courses are very popular therefore if we don't hear from you within 30 days of the date of this offer letter (or before the start date of the course, whichever is sooner) then we shall assume that you do not wish to take up your place and will withdraw the offer.

We will keep in touch over the coming months with further information about the University and your next steps.

### Chat to our students

To find out more about what it's really like to study here, you can [chat with our current students](#) and ask them the questions you really want answered. Whether you'd like to know more about our fantastic facilities, accommodation, support, or their favourite places, our students will share their first-hand experiences and what makes Kingston so special.

### Material Changes

We try to avoid making changes to our courses once we start accepting applications for a given year, however on rare occasion it is necessary to do so. In these cases, we must inform you if they are made after you have accepted an offer of a place on a course. The information that falls into this category is commonly referred to as 'material information'. More information on what constitutes a 'material change' can be found [here](#).

Further information about Kingston University, its policies and regulations, including the [Admissions Policy](#) can be found by visiting our [How the University Works](#) webpages.

**Cancellation within the First 14 Days:** In the first 14 days after you have accepted the offer of a place with us, you can cancel by giving us a clear statement that you want to cancel/withdraw (e.g. a letter sent by post or email). You may use the [Cancellation Form](#) but it is not compulsory.

If you would like to discuss any aspects of your offer, please do not hesitate to contact us on the number or email address below.

Yours sincerely,

For overseas applicants only:

### Useful information to help you with your visa application.

Please note that if you do not have British citizenship or residency or EU Settlement, you may need a student visa to study in the UK. UK Visas and Immigration (UKVI) may change its qualifying criteria from time to time. Kingston University has no control over this, or the actions of any other party, which may affect your ability to study in the UK. You should visit [www.gov.uk/government/organisations/uk-visas-and-immigration](http://www.gov.uk/government/organisations/uk-visas-and-immigration) for the latest information.

Please also note that the unconditional offer of a place of study is not a guarantee that you will be sponsored by the University. Before you apply to the University, you must disclose information about any previous time you have spent on a student visa to study in the UK. For further information about the maximum time limit on study please visit this link: [https://www.gov.uk/government/uploads/system/uploads/attachment\\_data/file/477366/T4\\_Migrant\\_Guidance\\_Nov\\_V1\\_0.pdf](https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/477366/T4_Migrant_Guidance_Nov_V1_0.pdf)

If you require assistance obtaining a student visa, the University can provide a Certificate of Acceptance to Study (CAS) for full time courses only. You will receive an email from the University providing full details of how you can request this assistance, however, once you have made firm your unconditional offer from Kingston University you can apply for you

Confirmation of Acceptance for Studies (CAS) via your OSIS account. For other immigration related information, please visit <http://www.kingston.ac.uk/international/contact-details/advisory-centre/>

## Financial Matters

You must tell us about any payments that you have made to the University for tuition or accommodation fees so that these can be put on your CAS. If you wish to make a payment please do so immediately because we cannot enter the amount on the CAS until it is in the Kingston University bank account and this can take some days from when you make the payment. You should also tell us if you are being financially sponsored by your government or an international organisation or if you are receiving a scholarship. DO NOT make any further payments after you have confirmed your draft CAS.

Please ensure that any bank statements you use are in the correct format and meet ALL the UKBA requirements. The bank statement that you use to apply for your visa must be no more than 1 month old when you submit your visa application. ALL of the money that you are required to have must be in your bank for at least 28 days before you make the application and shown clearly on the bank statement.

If you are using bank statements from your parents in your home country, then you will need to submit your birth certificate and a letter of consent from your parents confirming that you can use the funds for your studies and living costs

## Academic qualification matters

Please make sure you have all the original documents of the academic qualifications that were used to obtain your unconditional offer. These will be confirmed on your CAS and you will need to submit them with your Tier 4 visa application form along with your passport. Please make sure that you take all the required support documents to your visa interview or your application may be refused.
